 **VOTE** Tuesday, November 2

David Leyton
Candidate for Attorney General

Reform Michigan's Government - by enacting a two year ban to prevent the practice of former lawmakers jumping directly from the legislature and going to work for lobby organizations.

Protecting Michigan Jobs - David will go after companies that receive tax breaks and then hire illegal immigrants or ship jobs out of Michigan. We need an Attorney General who will stand up to corporate greed.

Tough on Crime - by building on his long track record, 10 years of experience, as Genesee County Prosecutor. David Leyton will protect Michigan cities by punishing criminals.
