

They cut your pay. They cut your benefits.

**Now they want
your voice.**

Republican legislators rammed through HB 4929, a bill to end payroll deduction of union dues/fair share for school employees. The sole purpose of this bill is to make it harder to collect dues and easier to silence educators and their unions.

Republican legislators also introduced HB 4052, which would silence educators by prohibiting the use of school facilities for union purposes.

Republican Senators have introduced SB 729 calling for Right to Work for Less for school employees, prohibiting unions and districts from bargaining fair share agreements.

Right to Work for Less Is Here.

Republicans' plan for Education Reform has reformed you into earning less money, expanding class size, and cutting benefits. The current legislation attacks K-12 today but they will attack Higher Education tomorrow.

This legislation silences your voice.

Call your state senator and representative NOW. Tell him or her to: Vote NO on HB 4929; Vote NO on HB 4052; and Vote NO on SB 729. Their numbers are listed on the back.

**This is not a false alarm.
This is not an idle threat.
This is a direct attack.**
